

ANNUAL PROGRAM REPORT OF HCG FOUNDATION FROM APRIL 2021 TO MARCH 2022

Introduction: HCG Foundation is a non-profit organisation started in the year 2006 with the single-minded aim of improving the quality of life of patients by empowering them to avail the best that medical science can offer. From the patient's assessment to their activities after their treatment, the Foundation strives to be there every step of the way.

Vision:

Ensuring access to quality cancer treatment for those in need and creating awareness on Cancer and its Prevention

Mission:

- Provide financial support to those who cannot afford cancer treatment
- Spread awareness about cancer
- Make early detection services more accessible for rural communities
- Provide psychological support to the family of cancer patients
- Educate students on healthy lifestyle habits and cancer prevention
- Sponsor, promote and conduct research activities towards prevention, treatment and eradication of cancer

Board of Trustees:

Sl No	Name	Designation in the Trust
1	Dr. B S Ajai Kumar	Managing Trustee
2	Dr. Ganesh Nayak	Trustee
3	Mrs. Anjali Ajaikumar	Trustee
4	Dr. Ramesh Bilimaga	Trustee
5	Mr. Satish Shenoy	Trustee

Foundation Activities:-

Children's day program

In the month of November 2021, HCG Hospitals and HCG Foundation in collaboration with, 'Emcure Pharmaceuticals' hosted an event to celebrate Children's Day. Each child was given a personalized Art Kit, which they used for making their pieces of art. Magician, Mr. Allan Louie also had some fun tricks up his sleeve for the children.

Christmas Gifts

In December 2021, HCG Hospitals and HCG Foundation in collaboration with Alvarez & Marsal India Pvt. Ltd, played the role of Santa Claus during Christmas, getting each child a gift and putting a smile on their face.

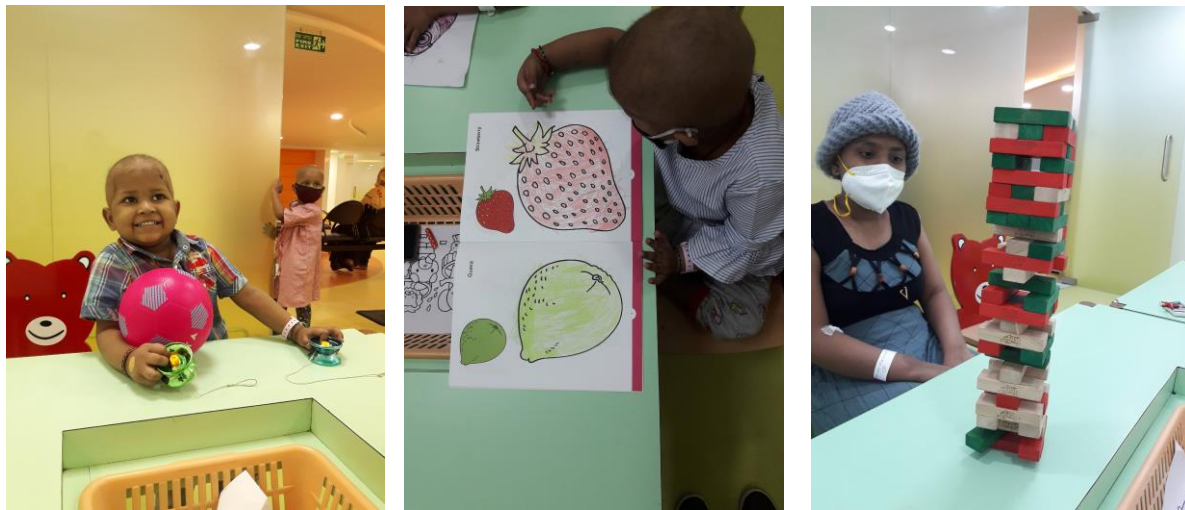

Art Therapy

Art therapist B Ganapathi, conducts art therapy sessions for the patients at the hospital, with an aim to release all bottled up emotions, drive away negative emotions while absorbing positive energy.

Art Therapy is capable of promoting self-expression, feelings, and emotions.

Patients have the opportunity to use a range of art materials to explore & express feelings in a different yet effective way.

Due to the pandemic and to avoid close contact with immune deficient children, only **15 kids** could attend the individual therapy sessions

Awareness Programs:-

Mobile Cancer Bus Diagnostic Clinic

Aiming at overcoming the hurdle of transportation that comes in the way of medical treatment, HCG Foundation, in association with Infosys Foundation, launched a mobile cancer in 2014; Staffed with a doctor, nurse and paramedical staff (around five in all), the clinic is equipped with mammography, x-ray system, ultrasound system, pathology and lab. The mobile cancer clinic is deployed in Mysore last financial year to cater to districts in north Karnataka. The clinic is a boon to people in the remote areas. The mobile clinic creates accessibility to advanced cancer screening and early diagnosis. It is a fully sufficient bus with advanced technology which helps in creating awareness by disseminating information about cancer through a television fitted inside the mobile clinic with provision to beam images onto a screen outside.

1. Camp on 23rd – 25th September 2021

Airforce Academy Mysore			
Total Screened patients	Mammo	Pap smear	Suspected/FU
